

2nd VOCATIONAL SCHOOL OF AMALIADA

Comenius Project 2012-2013
“Love The Nature, Save Your Future”

A few words about our city

The Municipality of Amaliada is located in the west of Peloponnese and it includes the city and 19 villages. It is the first municipality in the area of the prefecture of Ilia and the second most populous with 32,090 inhabitants.

The most important occupations of the inhabitants of the area are agriculture and tourism.

A few words about our school

- The 2nd Vocational School of Amaliada has 190 students and 23 teachers.
- Our students come from the city of Amaliada as well as the surrounding villages and the extended area.
- They have chosen to specialize in one of the three fields offered by our technical school (Nursing, Nursery, Economics & Hotel Management)

Steps we followed until the final results

We gave the questionnaire to 100 students and 50 adults from the area of Amaliada

We transferred the answers in an excel sheet

We prepared the graphs with the results and we made the presentation

1st part of Eco - quiz

How “green” are you???

For every “yes” – Eco-friendly answer you get 1
point

The final points that the students got after filling in the questionnaire

Number of students

The final points that the adults got after filling in the questionnaire

Number of adults

The question with the most affirmative - Eco-friendly answers

Students

Have you ever planted a
tree?

The question with the most affirmative - Eco-friendly answers

Adults

Do you try to save energy at home?

The question with the least affirmative - Eco-friendly answers

- Only 8% of the students claim that buy CFC-free sprays
- Only 9 out of 50 adults claim that buy CFC-free sprays

2nd part

Choose the correct definition/explanation for each word

Students' matching results

Number of students

Adults' matching results

Number of adults
